

COVID-19 VACCINES

FOR RESIDENTS WHO CAN'T LEAVE THEIR HOMES

If you are age 18 or older with one or more high-risk condition and are required to stay at home for health and safety reasons, you live within the City and County of Denver, and are eligible to receive your vaccine according to Colorado Department of Public Health and Environment (CDPHE) guidance, we can bring your vaccine to you!

Sign up by calling Denver Department of Public Health and Environment at 720-865-3005 and press Option 6 for at-home vaccination. This service is available in English and Spanish, as well as other languages through a phone interpreter.

Please note: This service is available for individuals who are required to stay at home for health and safety reasons, as well as one primary care-giver at the same address.
